

# **Joint United States Military Assistance Group (JUSMAG) and CDRPACOM Representative Philippines**

## **Military Assistance Program (MAP)/ End Use Monitoring (EUM) Brief**

# MAP Program

---

- **Defense articles & services--grant aid under the Military Assistance Program (MAP).**
  - **GRP is a major recipient**
  - **Defense articles is USG property even while in possession of the host military**
- **Permission for disposal, transfer to third parties—DoS approves prior to the event.**
- **All proceeds remitted to the USG unless a waiver is requested and granted for the host nation to retain funds.**
  - **Waiver process can take 3-6 months**

# Recent MAP Program Activity

---

- **AFP requests approved for disposal:**
  - **14 PN ships--approx. \$238K to be applied to the Ex-USS Cyclone overhaul/refit.**
  - **28 PAF aircraft--up to \$25K to be retained for the AFP Modernization Fund.**
  - **57,376 AFP small arms destroyed-- <\$10K AFP retainable proceeds.**

# Future MAP Program Activity

---

- **AFP requests for disposal of property and retention of proceeds:**
  - **12 PAF aircraft**
  - **75+ tons of small arms from various sources--majority is MAP**

# End Use Monitoring Program (EUM)

---

➤ **EUM required on all U.S. origin defense articles and services.**

- **Golden Sentry (GS) Program--DoD**
- **Blue Lantern Program--DoS program for commercially acquired US military articles.**
- **JUSMAG-P works with the DND to ensure accountability & includes an annual inventory requirement by the AFP.**
- **Observation and reporting of the end use of U.S. origin defense articles and services is a JUSMAG-P SAO responsibility.**
- **Request that other post personnel assist by observing & reporting to JUSMAG any EUM related irregularities.**

# End Use Monitoring Program (EUM)

---

- **Standard EUM--part of the normal course of business.**
- **Enhanced End Use Monitoring (EEUM)--involves sensitive Letters of Offer and Acceptance (LOA)**
  - **Defense article(s), service(s) and/or training or political situation requires rigid non-standard provisos, notes or other conditions of sale**
  - **Contingent on factors of trust with verification, firm enforcement & monitoring mechanisms.**
  - **SAOs observe and report on the use of defense article(s), service(s), and/or training**
